VICE PRESIDENT'S MESSAGE

November 30, 2025

Dear friends of Dream Compassioneers:

Hello everyone! With the establishment of the sixth committee, our service and advocacy activities have begun in earnest.

In terms of service, Dream Compassioneers continues to send volunteers every Saturday to provide tutoring for hearing-impaired students. We hope to convey our care for these children through tutoring and interacting. The student volunteers have also gained insights into the needs of hearing-impaired children and proposed a new service programme —and start organizing a Christmas party for them! We have gathered various service teams and committee members to actively prepare for this event, hope to give a warm Christmas to children!

On the advocacy front, we are honored to invite Mr. Leung Wai-kwong, CEO of Yan Chai Hospital, along with associated board members, executive committee members, and school service club members to share his experiences in service and management. We have greatly benefited from this, and I believe the students will be able to apply what they've learned in the future. Additionally, the 36th online seminar has been successfully held. Special thanks to Miss. Jessica Liu from the LOVE 21 Foundation for her inspiring presentation, which helped students understand knowledge related to the topic, "Down Syndrome and the Neurodiversity Community in Hong Kong".

Furthermore, the interviews for the associate committee have been completed successfully. We will hold an orientation day on the 7th of next month for all executive committee and subsidiary committee members to meet and discuss service plans for the coming year. Thank you for your support! We look forward to seeing each of you embark on your own service and growth stories with Dream Compassioneers!

As for the service club, the Service Club of King Ling College has also started its first regular meeting this month. We look forward to the students maintaining their original intentions and serving others, and we anticipate their performance this year!

We also have some good news to share: Dream Compassioneers has been nominated for the Teamwork category at the 13th Spirit of Hong Kong Awards. We are very honored to receive recognition from the South China Morning Post and the community. We would like to thank everyone for their support and will definitely continue to work hard and stay true to our original mission! Thank you all for your support of Dream Compassioneers. We will continue to work hard and remain true to our original intention!

Sincerely,
Vice Chairperson of the Sixth Executive Committee of Dream Compassioneers
