Project Introduction 計劃簡介

The “Fundraise to help village schools in Cambodia” is organized by Dream Compassioneers and Amity Foundation Hong Kong with the aims of building different facilities such as libraries, water-filtering facilities and solar panels in village schools of Cambodia so as to benefit local students in need. Also, the thirty finalists will need to draft a fundraising plan and may be able to join professional workshops for free to incorporate the skills learnt with their own creativity and achieve their plan in reality, helping students fundraise to build infrastructure. The scheme also hopes our student leaders can keep up with the technological trends and raise the social campaign efficiency to promote the spirit of service.

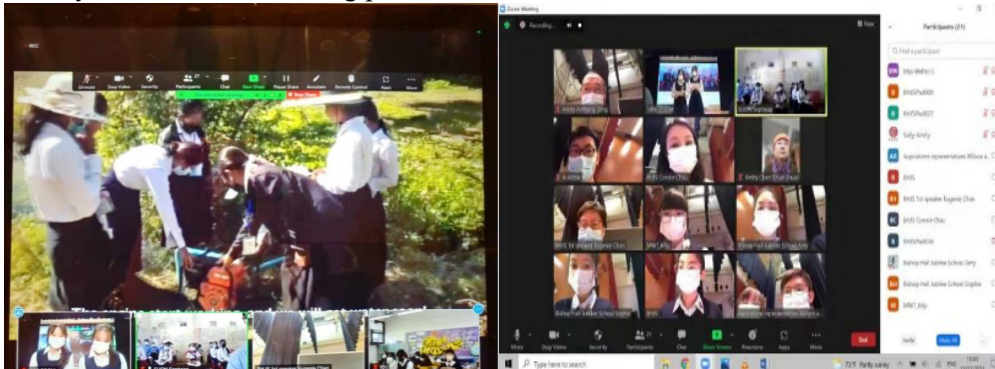

「童愛·行德」由童夢同行與愛德基金會（香港）合作舉辦，旨在為柬埔寨有需要村校建設不同設施，如圖書館、淨水設置、太陽能板等，期望能惠益當地有需要學童。同時，三十位決選生需要構思籌募計劃。他們將有機會免費參加專業工作坊，後將所學技能融入自身創意，實踐計劃，為有需要當地學童籌款基礎設施。計劃亦期望一眾學生領袖與時並進，活用科技，增強社會倡議效能，推廣服務精神。
