REPORT ON JULY ACTIVITIES

"Silk Road Journey: Grant A Wish"

This month, the representatives of Dream Compassion embarked on the "Laos Silk Road Journey". Besides visiting local organizations, the team also paid a visit to Dong Sang Hin Primary School in Laos. They prepared clothing and stationery collected through the "Grant A Wish" Supplies Donation Project and presented them to the local students, adding a touch of warmth to their lives. Throughout the journey, they experienced life in different cultural contexts and gained a deeper understanding of the challenges faced by underprivileged children due to limited resources. We hope to continue showing concern for the world and providing support in future service exchange programs.

Fundraising Dinner

With the support of Mr. OOI Hock-keng, the Honorary Advisor of the Hong Kong Elderly Commission, we held a fundraising dinner featuring a special seminar at the North Garden Restaurant in Sheung Wan on July 18. Our aim was to raise funds to provide better educational opportunities for children. Grateful for the support of many distinguished members of the community. We also introduced the journey and original mission of Dream Compassion over the past five years, helping more people understand our charitable services for children.

We successfully raised over \$35,000, which will be used for charitable activities benefiting children. A heartfelt thank you to Mr. OOI Hock-keng and everyone who supports Dream Compassion!

REPORT ON JULY ACTIVITIES

We had our first gathering with the finalists of HKSSLA on the 29th. We are thrilled to have a professional social worker, Ms Bobo Wong, also a member of our Management Board, who taught them how to use thinking to plan service projects. Despite her hectic schedule, Ms. Bobo Wong made time to prepare the "Design Thinking Workshop," where she instructed student service leaders on how to use design thinking to plan service projects. It fills us with great joy to witness the student service leaders fully engaging in the workshop and putting what they have learned into practice by beginning to organize their service activities. We eagerly anticipate seeing their outcomes!

‘Compassion Caravan: Cambodia’ service and cultural trip

The interviews for the "Compassion Caravan: Cambodia" service and cultural trip have concluded successfully. Participants will be heading to Cambodia in early August to serve at the local shelters and immerse themselves in the culture of the region. Currently, we have completed the pre-trip briefing and preparations for the volunteer teaching activities, outlining a diverse range of educational content. Our aim is to provide a memorable experience for the children in need in the local community. We are grateful for the support from the Home Affairs and Youth Affairs Bureau and everyone involved. Looking forward to the journey in August!
