VICE-PRESIDENT'S MESSAGE

31st October 2021

Dear Friends of Dream Compassioneers,

Hi everyone, I am the Internal Vice Chairperson of the 2nd Dream Compassioneers' Executive Board, Bobo Wong, and I am currently in my second year of studying Social Work.

The 2nd Executive Committee and Subsidiary Committee have officially been established. We have invited past Executive Committee members to share with our current Committee members on the experiences of hosting activities. Through this exchange, our current members were able to understand the operations of last year, inherit their spirit and innovate new ideas to host more meaningful events!

Now that we are already stepping into October, the "Passion to Talk, Talk to Inspire" seminars continue to be successfully held. This month, we would like to thank Mr Alan Yip, the Immediate Past District Rotaract Representative of the Rotary International District 3450, to share about his experiences of international servicing work, and the opportunities under the pandemic. We believe students can understand that even amid the pandemic, we can still hold onto different opportunities to serve the society.

Aside from that, the Hong Kong Society for the Deaf has organised an academic assisting scheme, aiming to provide academic assistance to hearing-impaired students. Students will be separated into groups according to their years, and volunteers will be provided by Dream Compassioneers and Bishop Hall Jubilee School every week. We hope to contribute to a part of it, thus some of our members have been taking up volunteer teaching activities every Saturday. We believe that throughout this activity, our volunteers can have their own growth and reflection. We look forward to working together with different organisations to hold more meaningful activities, and to serve the society.

Last but not least, we are grateful for the successful first General Meeting and Subsidiary Committee Orientation Day! As one of the event hosts on that day, I am elated to see members participating actively, and I hope we get to understand more about Dream Compassioneers while getting to meet more people from different schools.

Let's hope we can gather potential and contribute for students in need! I wish for a joyous collaboration in the coming year.

Sincerely,

Ms. Wong Suet Ying

Internal Vice-President of 2nd Executive Committee of Dream Compassioneers

HKSOD Volunteer Project

— Servicing Scheme for the hearing-impaired students

We are elated to collaborate with the Hong Kong Society for the Deaf to provide voluntary tutoring services to hearing-impaired students. Every Saturday, we have allocated some of our members to be with hearing-impaired students during their lesson time in the Holy Trinity Bradbury Centre, and to tutor them on homework and crafts. We hope our volunteers can help students to learn under a relaxing atmosphere.

Dream Compassioners will be hosting the Hong Kong Student Service Leaders Award this year, and we look forward to giving enthusiastic student servicing leaders the recognition they deserve. We thank Wu Yee Sun College of the Chinese University of Hong Kong for the support they have given us. We have started negotiating on terms and we will be meeting with the College representative this month to introduce briefly the details of the award scheme and the initial target of service. The shortlisted applicants will attend a design thinking workshop and conduct social services with students of the Chinese University of Hong Kong to express their creativity and contribute to the society. We look forward to the mutual gains between secondary school students and university students, and creating a greater united servicing front through the scheme.
