Dear friends of Dream Compassioneers,

Though the term of the 4th Executive Committee is coming to an end, the journey of Dream Compassioneers continues to forge ahead in its mission of service. The committee members diligently organized various activities to promote the spirit of service and give back to society.

I am delighted to announce that the recruitment and interviews for the 5th Executive Committee members and Subsidiary Committee members have been successfully completed this month. We extend our heartfelt gratitude and admiration to each participating student for their enthusiastic involvement and outstanding performances! Additionally, we're pleased to inform you that the Service Club of Bishop Hall Jubilee School and Yan Chai Hospital Law Chan Chor Si College have begun their recruitment. We encourage passionate students to join in this rewarding journey of service. Furthermore, the Dream Compassioneers Model United Nations Conference 2024 has been successfully held at The City University of Hong Kong. We appreciate and thank you for all your participation and support!

In terms of service, we have partnered with the Hong Kong Society for the Deaf to continue the Serving Scheme for Hearing-impaired Students. This month, several volunteers dedicated their time to tutoring sessions, assisting students with their homeworks. We are also honored to invite Mr. Innocent Mutanga, the Founder of Africa Center Hong Kong, as the guest speaker for the 29th regular online webinar "Passion to Talk, Talk to Inspire", where he shared his valuable insights with us.

Lastly, I would like to express my gratitude to each of you for accompanying and witnessing the growth of Dream Compassioneers in 2024. We hope that the 5th Executive Committee remains true to our original mission, continuing to ignite youth's passion for service and engaging in dialogue with communities across all sectors of society, bringing hope and light into unseen corners.

Sincerely,
Ms. HUNG Hiu-yan, Ashley

Servicing scheme for Hearing-impaired students

We are grateful for the opportunity to continue our collaboration with the Hong Kong Society for the Deaf in co-organizing the Serving Scheme for hearing-impaired students. This academic year, we have launched tutoring services, assisting hearing-impaired children every Saturday in understanding and resolving their academic challenges, with the hope of enhancing their motivation to learn. This month, several volunteers have dedicated their time to the tutoring sessions, and I believe that through this process, they will share knowledge, instill a positive and proactive learning attitude, and build relationships grounded in love and trust with the children!

Bishop Hall Jubilee School & Yan Chai Hospital Law Chan Chor Si Secondary School DC Club

This year, BHJS DC club has been officially founded, reflecting the school motto of Bishop Hall Jubilee School – “I Am Not Born for Myself Alone”. Our goal is to cultivate future service leaders in society. We aspire to provide students with more opportunities for preparation and participation in service activities, broadening their perspectives and fostering their spirit of community service.

Over the past year, members of the Yan Chai Hospital Law Chan Chor Si Secondary School service team have participated in numerous activities, such as listening sharings from distinguished guests in high table dinners, participating in free tuition for hearing-impaired students and assisting in F.1 life training camp. Through their involvement in the Dream Compassioneers Service Club, students have engaged with individuals from various sectors of society, broadening their perspectives and discovering their own paths in service. This experience has undoubtedly been highly beneficial!

Therefore, the BHJS DC club and the Yan Chai Hospital Law Chan Chor Si Secondary School service team have begun recruiting members. We encourage passionate students to apply and join us, stepping out of their comfort zones to continuously challenge themselves and enrich their lives.
